Keeping Children Safe

Ocean Ridge Junior Cricket Club is committed to providing a safe environment for children under the age of 18 to play cricket and recognises that the Club has a moral and legal obligation to ensure that when given responsibility for young people, club personnel provide them with the highest possible standard of care.

Ocean Ridge Junior Cricket Club recognises that the welfare of children is paramount.

Ocean Ridge Junior Cricket Club is committed to providing a safe and positive experience (free from bullying, physical, emotional or sexual abuse and neglect) for all children regardless of their age, gender, culture, language, racial origin, religious beliefs, sexual orientation and ability.

Ocean Ridge Junior Cricket Club will do this by;

- Recognising all children playing cricket have a right to have fun and be protected from harm in a safe environment.
- Ensuring all people involved with children at Ocean Ridge Junior Cricket Club understand their responsibility to take all reasonable steps to protect children from harm, discrimination and degrading treatment and to respect their rights, wishes and feelings.
- Recruiting volunteers with regard to their suitability to work with children, and provide guidance and /or education and training in good practice and child protection procedures as necessary.
- Complying with Working with Children legislation.
- Ensure volunteers have current Working with Children card if required.
- Ensuring all suspicions and allegations of poor practice or abuse will be taken seriously and responded to quickly and appropriately, and where necessary reporting concerns to appropriate authorities.
- Appointing a designated Member Protection Information Officer who will be the first point of contact for parents, children, and volunteers, thus providing all club members the opportunity to voice any concerns or issues relating to child safety.
